

Willamette Valley Luncheon, Eugene

Oregon Wetlands: Environmental Permitting Process

presented by Stacy Reed, Professional Wetland
Scientist of AKS Engineering & Forestry, LLC

Tuesday, April 17, 2018

Kowloon Restaurant, 2222 Martin Luther King Blvd.

11:45 a.m. to 1:00 p.m.

Wetland permitting can sometimes delay a project, but it doesn't need to. Early planning and understanding of both Oregon Department of State Lands (DSL) and the U.S. Army Corps of Engineers (USACE) wetland removal-fill and Section 404 regulatory requirements can help streamline your project's schedule. This presentation will cover how to determine when you need a permit and summarize the different permitting options, including exemptions and expedited permits, to help streamline environmental permitting for your project.

Buffet Lunch

Chinese buffet includes two meat entrees, vegetable deluxe, vegetable fried rice, soup, hot tea and soft drink. Cost will be \$15 including gratuity.
