

HELP THE KIDS

Imagine if every child in Central Oregon thrived in a safe and loving home

The APWA -OR is partnering with CASA of Central Oregon for the spring conference, to bring hope and love to the young lives of foster kids. Please bring donations to the conference registration desk during registration hours; listed on the [Conference Agenda](#).

Every week children in Central Oregon are removed from their families due to abuse or neglect and placed in foster care. [CASA of Central Oregon](#) helps these children by training and supporting volunteers to watch over and advocate for them. Court Appointed Special Advocates (CASAs) ensure that every foster child in Central Oregon has the resources they need to heal from abuse and trauma and can transition into a safe and permanent home as soon as possible.

For many abused and neglected children, their CASA is the one constant adult in their lives while they are in foster care.

You can help children in foster care by:

- Making a donation to CASA of Central Oregon either by check or at www.CasaOfCentralOregon.org
- Donating Gift Cards to stores like Old Navy, American Eagle or Nike (so that kids and teens feel like they fit in with their friends)

Please bring any of the items listed to the APWA Registration area.
