

Company: Metro

Position Title: [Operating Engineer I, part-time - Show Coverage](#)

Deadline to apply: Open until filled

Salary: \$31.00 - \$32.46 hourly

POSITION SUMMARY:

Entry rate: \$31.00; end of probation: \$32.46 Hourly

Represented by IUOE Local 701. All qualified applicants are encouraged to apply, but we will give preference to Operating Engineers who can work weekend event shifts.

This position operates and maintains heating, cooling, plumbing and mechanical equipment used during scheduled events at [Portland'5 Centers for the Arts \(Portland'5\)](#) venues - The Arlene Schnitzer Concert Hall, Keller Auditorium, Newmark Theater, Winningstad Theater and Brunish Theater under the supervision of the Facility Manager or Director of Operations,

Home to arts organizations such as the Oregon Ballet Theatre, the Oregon Symphony and the Portland Opera, [Portland'5](#) is among the largest performing arts centers in the US with approximately 1,000 performances and 900,000 attendees annually and generates an average of \$60 million in regional spending and more than 700 jobs each year. The five theatres at Portland'5 have showcased countless events lectures, dance and much more. We are purposeful in presenting our diverse community with meaningful performing arts performances and spaces that are welcoming and accessible to everyone.

At Portland'5 Centers for the Arts, we hire a workforce representative of the communities we serve, understanding that a diverse workforce strengthens our organization. We value diversity and support a positive and welcoming environment where all of our employees can thrive.

MINIMUM REQUIREMENTS:

One year experience as an Operating Engineer in a commercial building setting, or any combination of education and experience which provides the applicant with the knowledge, skills and abilities required to perform the job. Possession of or ability to obtain a valid driver's license. Must be able to work a variety of shifts including evenings, weekends and holidays as required. Must be, or be willing to become, CPR and First Aid certified.

Preference will be given to applicants who are able to work weekends. Portland'5 Part-Time Operating Engineers are expected to make themselves available for a minimum of two shifts per month and are allowed to work up to 32 hours per week. On average, Part-Time Engineers work from 4-10 shifts per month depending on the event schedule.
