RESOLUTION

Resolution No. 06-2: Foundation Tribute Accounts

Adopted 12/01/06

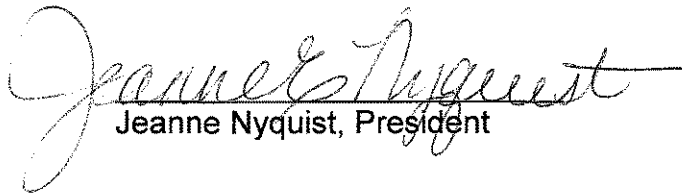

The Foundation's Statement of Policy states that:

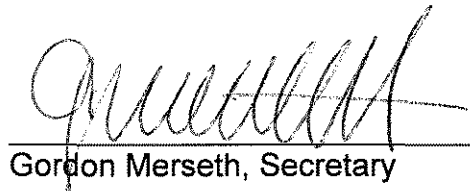

- 7. The Foundation will establish a Tribute Account for any donor of a minimum initial contribution of \$1,000 or more.*

The Foundation Board wishes to implement a fund raising campaign to encourage donations by offering individual donors an opportunity to credit previous donations on record toward their Tribute Account, once established. The Tribute Fund Campaign will be implemented beginning December 1, 2006, and ending on December 31, 2007. During this time, the Foundation Treasurer is authorized to credit previous donations by individuals to the General Fund upon a donation of \$1,000 to establish a new Tribute Account. The Foundation will also credit past donations to the General Fund for individuals who have established Tribute Accounts prior to December 1, 2006.

The Scholastic Foundation Board of Directors adopted this resolution on 12/01/06.
