**RESOLUTION**

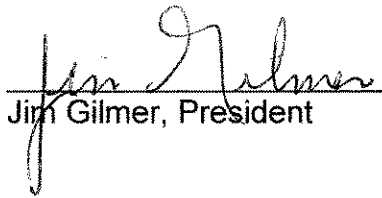

Resolution No. 09-2: Polvi Scholarship Disbursement      Adopted 7/31/09

At its January 30, 2009, meeting, the APWA Scholastic Foundation Board of Trustees established a 'Ron Polvi Civil Engineering Sustainability Scholarship' at Oregon State University to be funded by the Ron Polvi Tribute Account.

At its July 31, 2009, meeting, the Treasurer reported that the Polvi Tribute account balance has fallen below the required \$10,000 to generate a disbursement. It was determined that funding for the scholarship for the school year 2009/2010 will be provided by a \$500 donation from Ron Polvi.

The Scholastic Foundation Board of Directors adopted this resolution on July 31, 2009.
